

If you are looking to buy a [used BMW in London](#) , then consider Big Motoring World. They have over 450 quality used BMW available for sale all at one location in Kent. They have all models ranging from the BMW 1 Series Hatchback to the 6 Series Convertible. They actually have more second hand BMW on display than a main franchised dealer and have expert car sales specialists on hand to help you with buying advice and test drives. They also have the odd non franchise car there, such as an SLK 55AMG in Magma Red with Anthracite Leather and a growling big engine!
